BOIL WATER NOTICE

TO

THE RESIDENTS OF the Wyboo Point, Eagle Point, and surrounding areas and adjacent areas served by Wyboo Point water system.

Date: August 16, 2022

The Clarendon County Water and Sewer Department advises the residents served by these Water Systems, located in Clarendon County, to vigorously boil their water for at least one (1) full minute prior to drinking or cooking.

This is due to low, or loss of pressures being experienced due to main water line break. Residents should continue to vigorously boil their water for at least one (1) full minute prior to drinking or cooking until otherwise notified by the Clarendon County Water and Sewer Dept. Also, any ice made from water which has not been boiled should not be used for drinking purposes.

The Clarendon County Water and Sewer Dept. is presently working to correct the problem.

If you should have any questions concerning this Notice, you may call the utility office at 803-433-3255.

Operator: Jay Kates Water Systems Inc. System Representative Name: Hunter Denny
