REPEAL OF BOIL WATER NOTICE TO THE RESIDENTS OF EAGLE POINT

June 21, 2023

The Clarendon County Water and Sewer Department advises the residents of Eagle Point that they no longer need to boil their water prior to drinking or cooking. Following disinfection and an intense flushing of the distribution system, bacteriological samples were collected from the drinking water system serving the area. The results of this sampling indicated that the system is now safe to use for drinking and cooking purposes. If you should have any questions concerning this repeal of the Boil Notice, you may call the utility at (803) 433-3255.

System representative: Hunter Denny
