Pursuant to the criteria provided in Section 55.02, 55.03, and 55.04(e) of the UDC, the applicant requests the exemption from the site plan review requirements checked below:

The development project is a single family/duplex residential structure, a family business as defined in Article II or on-site agricultural products processing.

Farm building not designed or used for human occupancy.

Buildings and structures less than three (3) stories in height and less than 5,000 square feet in area, except buildings of assembly, institutional, educational, and hazardous occupancies as defined by the Standard Building Code regardless of area; or any non-residential improvement that will not mandate the need for additional parking.

A detached single family or two-family dwelling, as defined in Group R-3 of the Standard Building Code regardless of size, with each unit having a grade level exit and any sheds, storage buildings and garages incidental thereto.

Alterations to any building that do not increase the area or capacity or affect the safety of the building.

The applicant shall at a minimum, supply the following information in support of the request:

A copy of a drawing of the proposed project from which the proposed request for exemption will be justified.

If the applicant is not the property owner, attach a statement authorizing the applicant to act in the property owner's behalf for this application.

Any other information the PC staff may require regarding the specific request.

CERTIFICATION

I hereby certify that I have read this application and that the information above is true and accurate to the best of my knowledge. I am the owner, or authorized agent of the subject property.
